

Ammitzbøll Winther
ST54 SIDE TABLE

ST54 SIDE TABLE

Description

The design of the ST54 SIDE TABLE is influenced by funhouse mirrors and mysterious monoliths. Made from mirror polished stainless steel, ST54 is in constant dialogue with its surroundings, reflecting and distorting reality through its surfaces and central half-cylindrical planes. Hand-made in Denmark, ST54 is equally suitable as a side table, a pedestal or simply as a stark minimalist sculpture in any room.

Made to order.

Delivery time

8-12 weeks

Designer

Ammitzbøll Winther

Materials

Polished stainless steel

Weight

10 kg
